

Merstham Development Squad

About Us

At Merstham Football Club sponsorship is vital to allow us to run our football club and help us achieve both on and off the pitch. Merstham FC is a semi-professional football club playing in the Isthmian League. Our vision is to be a hub for the local community, and local business, as well as a successful and well-regarded football club at all levels. We are a '*Not For Profit*' business, but to achieve our vision we need to continue to invest in the ground, the club, and our junior and senior footballers. We have more than 20 junior and ladies teams, as well as running the hugely successful 'Wildcats' football for girls aged from 5-11 in partnership with the Football Association. This requires us to generate income, namely through local and national sponsorship and advertising; creating new partnerships will join us on our journey that can benefit us jointly.

Successes on and off the field

In recent seasons, this squad has won their League and Cup finals whilst in their youth development stage. The club is looking to transition from youth football to senior football, by creating a pathway, through the development squad which will compete on the Suburban League. The aim of the squad is to produce players that can and will be able to compete at competitive level and move on to Step 3 and 4 football. The squad is made up of local players who mostly live within a 5 mile radius of Merstham, the Club aims is to provide local football for local young adults and children. We have a proven record of this, with an active Youth, Ladies and Young Adult programme with 20 teams, with some 350 boys and girls registered and, of course, hundreds of local parents that know Merstham FC and visit our ground every week.

Advertising and sponsorship at Merstham Football Club can capture the footballing commercial market both local and nationally with a vast amount of advertising and sponsorship opportunities which are detailed within this brochure. Through social media Merstham FC is now reaching out to over 10,000 Twitter followers and as well as across our other official social media avenues. Semi-professional football is both affordable and a great experience for spectators who quickly enjoy watching high quality non-league football.

Development Squad SPONSORSHIP

The Team is currently looking for sponsorship for the season 2022/23 and 2023/24, for £2,000. The team are totally self-funding and therefore rely on sponsorship to enable them to play. This funding helps for the purchase of equipment, training and game wear, training and pitch costs.

Package includes:

- Logo on all home and away kits and tracksuits – this can include website
- Pitch side Board
- Advert in our matchday programme
- Two Free Season Tickets to Merstham First Team Games (Except FA Competitions)
- Free Entry to all Development Home Games
